Urgent repairs to the track in the Ladywell area

Damage has been discovered to the track near Ladywell. Our partners at Network Rail advise that a specialist part is required, which isn't immediately available and needs to be specially produced.

Until the repairs have been completed, we need to make some temporary changes as follows on the Hayes line in order to continue to run the same number of trains on the route. Some trains are not stopping at Eden Park or New Beckenham, however during the weekday evening "peak" period from London, trains will stop at all stations as usual.

Monday, Tuesday, Wednesday, Thursday and Friday

- 08 and 38 minutes past the hour Charing Cross to Hayes services will depart as scheduled, calling at Waterloo East, London Bridge and will then be diverted to call at Ladywell and all stations to Hayes, except for New Beckenham and Eden Park, arriving at Hayes at 23 and 53 minutes past the hour.
- 29 and 59 minutes past the hour Hayes to Charing Cross services, will depart at 32 and 02 minutes past the hour, calling at all stations to Ladywell, except Eden Park and New Beckenham, then London Bridge, Waterloo East and Charing Cross.
